2. Review of items from September -

Helmet reconditioning - Chad has not been able to get in touch with Cascade Athletic Supply and found out that the HS football team has started to lease helmets. Lacrosse committee meetings are going to review the helmets separately and will discuss further at November meeting.

3. SALI update -

SALI committee is keeping the registration pricing the same as 2019.

For SALI 2020, teams will not assign themselves a bracket this will happen by SPRD once registration is closed. We are hoping that this change will allow for a more competitive tournament. D-poles will be allowed for all 7/8 boys. Looking into 5/6 boys D-poles if it will be allowed for all or just A bracket. This reminded the committee that we need to start coaching our 7/8 boys to play with D-poles.

Peggy and Darren think that they have identified field #11.

Parking will be an issue for 2020
